DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This frame farmhouse is situated in a hilly, semi-wooded area on Gortner Road approximately $\frac{1}{4}$ mile southeast of Gortner and Route 219. The house faces southwest. It is a two story, three bay by two bay structure with a gable roof. A single story gable roof structure extends of the center rear, northeast elevation of the house. To the southeast elevation of this is a shed roof porch with a one bay, single story addition with a shed roof, extending from it at its northeast elevation. A shed porch enclosure extends the length of the facade. The house can be entered from the center facade, the southeast elevation of the facade shed and from the rear porch.

An exterior brick chimney is located on the center rear elevation between the main block and the additional rear structure. The house is lit predominately by two over two sash windows. The house rests on a poured concrete foundation. The original weatherboard exterior is covered with aluminum siding. Asphalt shingles cover the roof.

A frame barn is also located on the property.
